In all I say and do,

Sometimes the best witness is love.

Some days there's not
even a nibble to give
us hope. The point is,
we don't give up.

know what results
come from your
action. But if you
do nothing, there
will be no result.*

All of us have the power to give happiness... a listening ear, a seeing eye, an outstretched hand.

Education is what survives when what has been learned has been forgotten.

An analogy is the superpower of life. It can repair just about anything.

To share often and much... to know even one life has breathed easier because you have lived, this is to have succeeded.

RALPH WALDO EMERSON (1803-1882)
