**Covid19** - The infection rate is extremely high at in the Dudley area. This means we need to be particularly vigilant when attending Mass. It is very important that people do not gather outside to chat after Mass but return home immediately. If you see an old friend, wave at them and ring them up when you get home, Remember, that there is no obligation to attend on a Sunday. It would be wise to choose to go on a weekday, instead of a Sunday, so that we do not have too large gatherings while the risk of infection is high,

**PARISH DONATIONS** – Any donations to the Parish will be allocated to fundraising for the refurbishment of our parish centre toilets. Thank you for your support.
