Heavenly Father,

We thank You for the great gift of the family and every individual within the family. May they rediscover each day the grace they have received, and as small domestic Churches, may they know how to witness to your Presence and to the love with which Christ loves the Church. Sustain them and make them aware of the path to holiness upon which You call them, so that they might experience your infinite Mercy and find new ways to grow in love. Lord, grant that each family might live their specific vocation to holiness in the Church as a call to become missionary disciples, in the service of life and peace, Amen
