Moving forward – issues arising from the synodal pathway discussions

Pope Francis' call for a synodal Church, where there is a constant dialogue and reflection on how we move forward, in a call to us at Our Lady and All Saints to engage together in a positive manner to renew the life of our parish. This is not a one-off – but the start of a new process which will hopefully engage everyone in one way or another. The following best reflects many of the issues and areas of parish life which were documented during the synodal pathway meetings. Some can be addressed in the short –term – others may take more time. What is important is that we make a start now. Fr Philip

1. Consultation in the parish
 - do we want a regular Parish Forum which anyone can attend, or a Parish Council with elected members or delegates?
2. Enhancing our spiritual life.
 - Sunday Masses - Music
 - Welcomers
 - non eucharistic worship e.g., adoration, rosary
 - retreats, pilgrimages
 - adult catechesis
 - Church open times
3. Pastoral care
 - supporting those who need support
 - SVP
 - Foodbank
 - using the parish centre
4. Communication – keeping people informed
 - bulletin
 - Parish annual report
 - website
 - webcam
 - youth catechesis
5. Youth Work
 - youth club
 - servers
 - children's liturgy
 - sacramental preparation
6. Schools
 - liaison with St Joseph's and Hagley
 - links with parents, staff and students
 - making the schools part of our parish
 - involvement in parish life
7. Contacts with local community
 - Churches Together
 - local organisations and projects
 - raising OLAS profile in Stourbridge
8. Evangelisation and Mission
 - lay training e.g., children's liturgy
 - home visiting
 - faith friends
 - encouraging spiritual growth

The purpose of the meeting is to identify how we move forward on each of these areas, and to identify the members of the parish who are going to take responsibility for them.
