PRAYER FOR THE QUEEN -

O Lord, save Elizabeth, our Queen.
O Lord, hear my prayer.
The Lord be with you.

Response - And hear us on the day we call upon you.
Response - And let my cry come before you.
Response - And with your spirit.

Almighty God, we pray, that your servant Elizabeth, our Queen, who, by your providence has received the governance of this realm, may continue to grow in every virtue, that, imbued with your heavenly grace, she may be preserved from all that is harmful and evil and, being blessed with your favour may, with the royal family, come at last into your presence, through Christ, who is the way, the truth and the life and who lives and reigns with you in the unity of the Holy Spirit, one God for ever and ever. Amen

WELCOMING PARISHIONERS TO MASS. - Face coverings are optional, but we would strongly encourage you to wear one whilst in Mass. This is for the protection of others and to make those still anxious feel more comfortable. Some parishioners are only just returning Mass for the first time in 2 years. Some pews will still be closed to give you the option to social distance if you prefer. Please continue to sanitise when you enter Church. Communion will still be given under one kind and our ministers will sanitise and wear masks. The collection baskets will still be at the door, and not taken around during the service

CAFOD CLIMATE CHAMPIONS - Sunday 5th of June is UN World Environment Day, and seems a fitting date to begin our journey towards becoming a CAFOD Live Simply Parish. The CAFOD Live Simply Award is an opportunity for Catholic communities to respond to Pope Francis' invitation to "Work with generosity and tenderness in protecting this world which God has entrusted to us." CAFOD have asked for young people aged 18-30 to act as Climate Champions to lead each community on this journey, and Mary O'Brien (who some of you may know as an altar server) has agreed to act in this capacity for Our Lady and All Saints. The first step of the journey is to create a Parish Action Plan involving three types of actions: actions to live simply, actions to live sustainably with creation and actions to live in solidarity with the poor. Many of the things we are already doing in the parish can count towards this, but we also need to begin some new initiatives. A few ideas which we could begin over the coming year include – a parish weekly meat free day; a no new clothes pledge; outdoor seasonal services; a celebration of St Francis (Patron saint of the environment on October 4th); a parish unplugged day; a second-hand clothes and school uniform exchange; walk to church Sunday; weekly green tips on the bulletin. We would like everyone in the parish to be a part of this, and if you have any ideas or would simply like to register your willingness to be involved, please send an email to Obrien.rachel@live.co.uk or contact the Parish Office to let us know.
